DEFINITIONS

MAXIMUM TAKE OFF WEIGHT (MTOW)

Where it is required to calculate the price, the weight factor will be determined based on the highest certified MTOW for which the aircraft is certified in its state of registration.

PASSENGER FLIGHTS

Are defined as flights with commercially paying passengers on board.

Aircraft using Pajala Airport are subject to airport charges to this price list.

AIRPORT CHARGES

LANDING CHARGE

The Landing Charge is calculated based on the aircraft's MTOW.

Aircraft with MTOW under 2000 kilograms are exempt Landing charges.

MTOW 2 000 – 24 000 kg	520 SEK fixed price 40 SEK in addition per 1000 kilograms over 13 000 kg.
MTOW 25 000 kg +	1050 SEK fixed price 112 SEK in addition per 1000 kilograms over 25 000 kg.

TNC – TERMINAL NAVIGATION CHARGE

Terminal ANS Charge (TNC) relate to terminal Air Navigation Services (TANS) comprising aerodrome control and aerodrome flight information services, air traffic services related to approach and departure of aircraft, and a share of other air navigation services allocated to terminal. The TNC is calculated based on the aircraft's MTOW.

MTOW 6 000 – 14 000 kg	120 SEK fixed price
MTOW 15 000 – 49 000 kg	570 SEK fixed price 38 SEK in addition per 1000 kilograms
MTOW 50 000 – 99 000 kg	1550 SEK fixed price 31 SEK in addition per 1000 kilograms
MTOW 100 000 kg +	2500 SEK fixed price 25 SEK in addition per 1000 kilograms

INFRASTRUCTURE FEE

The Infrastructure fee is calculated based on the aircraft's MTOW.

Infrastructure fee	10 SEK per 1000 kilograms
--------------------	---------------------------
